

## **DMSS Land Acknowledgement Statement**

The Dalhousie Medical Students' Society recognizes that the land we gather on is the traditional, ancestral, unceded territory of the Mi'kmaq and Wolastoqiyik people. The Mi'kmaq and Wolastoqiyik (Maliseet) people signed the "Treaties of Peace and Friendship" with the British in 1725, creating rules surrounding the relationship between the two nations. We acknowledge and respect their cultural heritage and relationship with this land.
