

Title:	DMSS Lounge Booking & Usage Policy
Issued By:	Building Services, Faculty of Medicine
Date Issued:	May 6, 2020

1. Policy Statement

The Faculty of Medicine seeks to provide a venue for medical students, graduate students, staff and faculty to interact in a casual atmosphere in an environment that is safe for persons and property.

The Faculty of Medicine entrusts the Dalhousie Medical Student Society to operate and manage the Dalhousie Medical Student Society Lounge located in 2L-B5 2nd floor of the Tupper Link for the use by medical students, graduate students, staff and faculty.

2. Purpose of Policy

This policy has been developed to provide information on booking procedures, associated costs and other relevant university policies.

3. User Accountability

Users are responsible for the facilities and its contents (furniture, refrigerators, supplies, etc.), and are expected to treat the lounge with respect. Users are expected to treat the lounge similar to a public lounge. The lounge and its contents should be left in the same condition and configuration in which they were found. Users will be charged for any damages to the lounge and its contents, cleaning fees and loss of or damage to equipment.

The lounge is not to be used for storage. Items left in the lounge will be removed and donated. Should students require storage for activities related to the DMSS, appropriate storage should be organized with the DMSS Lounge Manager.

Much like the lounge itself, lounge refrigerators are shared and need to be treated with respect. Leftover food from student events should be discarded if not clearly dated and labelled. Food and/or containers left in the lounge for long periods will be discarded or donated.

A licensed bartender must be hired for any event where alcohol is being served. For information on how to schedule a licensed bartender or procedures to train your own bartender contact the Director of Licensed Operations, Dalhousie Student Union at 494-6891 or email greg.wright@dal.ca

Maximum occupancy of the DMSS Lounge is eight-five (85) persons. Due to the building code regulations events with over 85 persons cannot be scheduled in the DMSS Lounge.

The Dean of Medicine in consultation with the Dalhousie Medical Student Society reserves the right to revoke and/or suspend lounge use privileges to users. Outside groups cannot book the lounge the week before exams as students utilize the lounge as a study area. Where possible the Lounge should not be booked between the hours of 11:30 am to 1:30 pm Monday to Friday as this would interfere with the student use of the lounge.
